EDUCATION

B.Tech(Mechanical Engineering)
Techno Main Salt Lake
2019 - 2023   *8.53*

Senior School Certificate(XII)
Jamia Millia Islamia
2017   *Percentage: 62.8%*

Secondary School Certificate(X)
Jamia Millia Islamia
2015   *CGPA: 9.00*

WORK EXPERIENCE

Frontend developer
Freelance

Achievements/Tasks

- From scratch, I designed and developed websites as a freelance Frontend Developer, implementing innovative solutions and ensuring an intuitive user experience. I collaborated with clients to bring their visions to life, delivering responsive, optimized websites that met their needs.

PERSONAL PROJECTS

CRUD APPLICATION
- A React.js CRUD application for user management, utilizing a mock API. Seamlessly create, read, update, and delete user data with intuitive interface design.
- https://redux-toolkit-thunk.onrender.com/
- https://github.com/techjmi/Redux-toolkit-thunk

Recipe Search
- Built a recipe search site with React.js and Material-UI, highlighting frontend skills. Integrated Heroku Recipe API for ingredient-based searches, offering a user-friendly interface
- https://brilliant-sprite-34b3f9.netlify.app/
- https://github.com/techjmi/Recipe_Search

Blog Website
- I have created a blog website showcasing my skills in HTML, CSS, JavaScript, React.js, Node.js, Express.js, Flowbite React, and MongoDB to highlight my proficiency in the MERN stack.
- https://github.com/techjmi/blog__mern
- https://blog-mern-cfpm.onrender.com/

Personal Portfoilo
- I've crafted my personal portfolio using React.js, featuring several projects that demonstrate my proficiency in the MERN stack. Let's connect
